

OUR COMMITMENT TO YOU!

Our goal is to provide you with sound biblical teaching, quality facilities, exciting program options, and service by a gracious, and caring staff, all at competitive prices.

To accomplish this, Camp Forest Springs subsidizes roughly half of its operating costs by missionary staff who are not funded by camper fees, financial and material gifts, youth camper scholarships, and conservative financial management practices.

We are glad to extend to you this level of excellence and service at what so many campers say are surprisingly reasonable fees.
